OUR HERITAGE ROOTED IN OUR VISION OF ITALIAN STYLE.

manufacturing since 1968.

Mariposa's iconic elegance of decorum made in Italia.

FAMILY OF DESIGN AND

creating."*

A commitment to Made in Italy.

Mariposa's exceptional manufacturing and logistics for 54 years and counting...

We're proud to make approximately 83% of our decorum products in our own workshops and greater factory in Milan Italy.

By taking the lead on designing, developing, and delivering everything we make, we can safeguard the quality of our decorum products from start to finish.

Mariposa's upholstery craftsmanship.

From cushions adjusted by hand for perfect shape and positioning, to upholstery, in fabric or leather, cut, sized and customized for a flawless fit, our passion for quality and style are revealed and felt in every detail.

Astute manufacturing for the little details.

Many of our iconic wood pieces are still handcrafted in our own specialty workshops, where master craftspeople use traditional techniques handed down for generations, applying each wood finish by hand.
