NOOMI SANDSTROM

Furniture refers to movable objects intended to support various human activities such as seating (e.g., stools, chairs, and sofas), eating (tables), storing items, eating and/or working with an item, and sleeping (e.g., beds and hammocks).

Available color :

Pine Solid Wood

One of the basic pieces of furniture, a chair is a type of seat. Its primary features are two pieces of durable material, attached as back and at a 90° or slightly greater angle, with the four corners of the horizontal seat attached in turn to four legs or other parts.
