Military Programs Overview

Recently retired military and veterans.

Military personnel that have recently retired or veterans are uniquely qualified to work at Mariposa Painting & Decorating Canada. Join a team that's defining the future of an industry, which may not be as exciting as a military mission, however it's still fulfilling and can benefit your life considerably.

Start your next mission toward success with Mariposa Painting & Decorating Canada.

At Mariposa, we know and value the strategic and tactical talents that only former military personnel and veterans can offer. Our team members that formerly served in the Canadian military work across all disciplines, lead our enterprise division, engineer our products and manage our projects. If you're ready to help us create more innovative solutions for Mariposa's clients to benefit, then join us. This is the moment your next mission toward success begins.

We take care of our Team members

At Mariposa, we offer supportive benefits to enable your greatest moments and provide you with peace of mind – at work and in life.

Diverse, and competitive benefits.

We want you to excel and thrive at Mariposa Painting & Decorating Canada. Our wide variety of supportive resources and services help ensure you and your family have what you need, no matter your area of focus.

Health and personal wellness plan.

Medical, dental and vision plans provide coverage for both preventive and non-routine care. If you decide to participate in a health savings account, we also make a lump-sum contribution depending on your eligibility. Plus, we have a personal wellness program that rewards you for making healthy lifestyle choices.

Retirement pension.

There are many ways for you to save for your future. Our private pension plan offers a broad range of investment options. For eligible employees, we will match 30% of your savings to help you build financial security.

Income and asset protection.

Various programs are available to protect your income in the event of a serious illness, injury or death. You can access disability coverage, life insurance for you and your family, accidental death and dismemberment insurance, and business travel accident insurance. Discounted home, auto, and property and casualty insurance are also available.
